

# CITY POLLS

Allowing citizens to voice opinions and interact with city council

## ABOUT CITY POLLS

Enables citizens to participate and express their opinion on all municipal matters and decisions to be taken. It enhances the democratic process by full citizens participation regardless of status, gender and social classification.

## MAIN FEATURES

### Voting

Speed up the process of elections and referendums with online ballots.

### Polling

Gather opinions in real-time about specific or general matters that pertain to life and well-being in the municipality.

### Web-based

Users can access polling from any Smartpolis connected device.
