

# MUNICIPAL PROFILE

Employment portal to apply for jobs and upload listings

## ABOUT **EMPLOYMENT OPPORTUNITIES**

The city can maintain a dashboard for employment opportunities available to the public by the city or municipal business. Unemployed citizens can also make themselves available through this employment searching platform.

## MAIN **FEATURES**

### View Jobs

View all available jobs and apply through a unitary platform.

### Post Jobs

Post any type of job with a detailed description

### Unitary Platform

Display all employment information from one online platform.
